PLANT-QUARANTINE IMPORT RESTRICTIONS

REPUBLIC OF MEXICO

RESTRICTIONS ON ACCOUNT OF THE EUROPEAN CORN BORER

The following decree became effective five days after its publication in the Diario Oficial on February 7, 1946:

"1 - To the list of the states of the United States of North America, published on July 8, 1931 in the Diario Oficial of the Federation, shall be added those states that have been invaded since that date by the European Corn Borer (Pyrausta nubilalis Hbn.), the complete list being as follows:

Connecticut, Delaware, Illinois, Indiana, Iowa, Maine, Maryland, Massachusetts, Michigan, Missouri, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Vermont, Virginia, Wisconsin.

"2 - Corn importers must bear in mind that imports of the grain from the infested regions shall be permitted only for consumption or industrial use and for such uses only when it is perfectly clean, free from cobs, and is fumigated at the port of entry.

"3 - Corn imports shall be subject to special permits which shall be issued by the Office of the Director General of Agriculture."

R. Connand

Chief, Bureau of Entomology and Plant Quarantine.
